### -Front-end-

HTML

CSS

JavaScript

### -Back-end-

PHP

MySQL

Apache

## TOOLS & SOFTWARE

VS Code

GitHub

Figma

Bootstrap

## LANGUAGES

**French:** Bilingual

**Albanian:** Bilingual

**English:** C1 Level

**Dutch:** B1 Level

## PROFESSIONAL PROFILE

In work-study program at EFP as part of my web development training, I wish to put my skills in HTML, CSS, JavaScript and PHP at the service of real projects in order to progress. Curious and adaptable, I am also open to learning and using other languages and technologies according to project needs.

## INTERNSHIP OBJECTIVE

- Put my theoretical knowledge into practice
- Discover teamwork methodologies
- Deepen my front-end and back-end development skills
- Understand the professional challenges of web development

## EDUCATION

### Work-Study Program - Front-end Web Developer

30/09/2024 - Present

EFP (School of Work-Study Training and Independent Professions)  
Learning modern web technologies: HTML, CSS, JavaScript, PHP, MySQL, Apache

### General Secondary School Diploma - CESS Math-Sciences
